CHEAP DAIRY FEED.
We are offering baked COTTON-SEED WHELLS at 57 1/2c per 100 pounds. Experience has proved it to be the cheapest and best dairy feed. Read the following letter from one of our most prominent dairymen:
Gentlemen,—In reply to your inquiry in regard to the feeding value of Cotton-seed Meal, I am pleased to say that I used them exclusively last winter and spring in the place of the usual rough food—clover, hay, etc.—feeding thirty dairy cows with satisfactory results. My cattle kept in better condition, with an increased flow of milk. My cows never did better on any feed. Yours respectfully,
(Signed) WILLIAM M. MERRITT.
